MEMORANDUM FOR: Chief, Covert Action Staff

ATTENTION: Mr. [REDACTED]

SUBJECT: Task Force Training Program

1. Several months ago we sent you a paper on the FI function on a Task Force prepared by Mr. [REDACTED] for use in a training course last May. Since that course was postponed until this fall, we have given additional consideration to the problem. You will find attached two comments on [REDACTED] paper (Attachments A and B) prepared by intelligence processing experts on the FI Staff. These friendly critiques should be useful to your training officers in achieving a deeper understanding of the complexities of the problems involved.

2. There is also attached a paper prepared by Mrs. [REDACTED], the FI Staff Training Officer, (Attachment C) which attempts to synthesize these views. We hope that the three attachments plus [REDACTED] paper will give your intelligence training officers the necessary background to enable a flexible and perceptive approach to the wide variety of task force situations which may be encountered.

[REDACTED]  
Chief, FI
